Ludo acknowledges the strong and growing demand for uncompromising levels of seamless service which provides sensible access and use of prestigious assets without the costs and tiresome details associated with direct ownership.

You just enjoy the cars.

Ludo price prudent and designed to accommodate as much flexibility as possible by securing a strong fleet of prestigious vehicles including 'self-drive' supercars, 'self-drive' executive cars along with the option of chauffeuring services.

We aim to understand your exact personal 'wants and needs' adapting the use of our comprehensive fleet to suite your lifestyle.
